This Warranty extends to the original purchaser and subsequent transferees, but only while the product remains at its original site and location of installation. This Warranty only extends through the first installation of the product at its original site and location and terminates if the product is moved or reinstalled at a new site or location.

The Period of Coverage for the Heat Exchanger will be ten (10) years, (prorated after five (5) years) from the date of purchase. If the Heat Exchanger fails due to a defect in materials or workmanship during years six (6) through ten (10), EuroTherm will apply the following allowances towards the purchase of a replacement Heat Exchanger: failure in year 6 – 50% allowance, failure in year 7 – 40% allowance, failure in year 8 – 30% allowance, failure in year 9 – 20%, failure in year 10 – 10%. All other Parts will be covered for a period of five (5) years from the date of purchase.

EuroTherm will repair or replace, at its choosing, any part or component that is found defective in materials or workmanship during the Period of Coverage as follows. All repair parts must be genuine Robur parts and all repairs or replacements must be performed by an individual or company that has been authorized by EuroTherm. Replacement of the product may be authorized by EuroTherm only and EuroTherm does not authorize any person or company to assume for it any obligation or liability in connection with the repair or replacement of a product. If EuroTherm determines that the repair of a product is not possible, EuroTherm will, at its discretion, replace the product with a comparable product.

For the repair of a product under this Warranty you must contact a qualified/authorized service provider. For the name of a qualified/authorized service provider please contact your place of purchase, visit the EuroTherm website www.eurothermsystems.com, call EuroTherm at 877-930-2739, or write to EuroTherm Systems, 100 Quaker Lane, Malvern, PA 19355. Proof of purchase is required for all Warranty claims.

This Warranty does not cover any failure of operating difficulties which are due to accident, abuse, misuse, alteration, misapplication, improper installation, improper conversion, improper maintenance or service, or for any other cause other than defects in materials or workmanship. This Warranty does not apply to any product whose serial number or manufacturing date has been defaced.

EuroTherm Systems is not liable for any special, incidental, indirect or consequential damages that may arise, including damages to person or property, loss of use, or inconvenience. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply.

Any implied warranties of merchantability and fitness arising under state law are limited in duration to the Period of Coverage provided by this limited Warranty, unless the period provided by state law is less. Some states do not allow limitations on how long an implied Warranty lasts, so the above limitations may not apply.

This Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
